

Rolling Bridge

Product information

Product description

The Rolling Bridge Playground features interconnected pathways and elevated bridges that encourage exploration and active play. Designed to blend with its natural surroundings, it offers a unique and vibrant space for families. Ideal for children of all ages, this playground promotes creativity, movement, and balance. Its innovative design fosters fun and connection, making it a perfect outdoor retreat in the city.

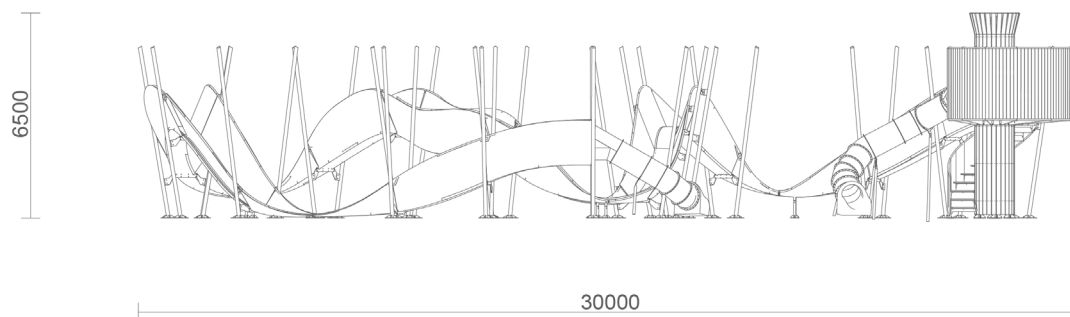

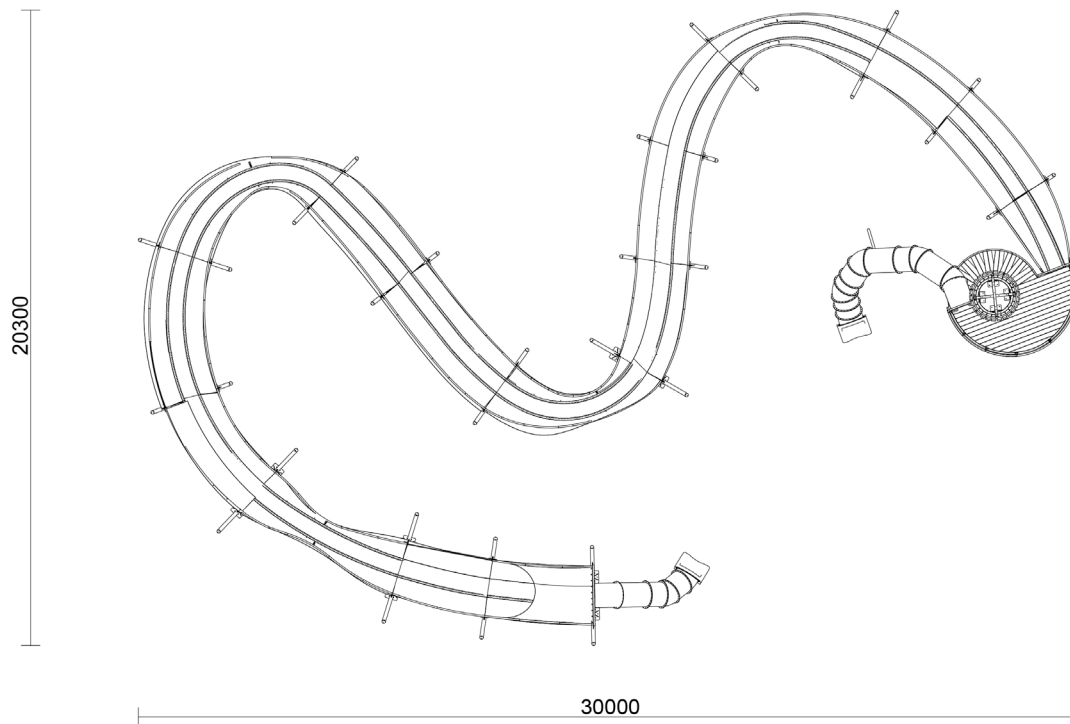

Category	: Thematic
Age group	: 2 years old and above
Product Code	: CV0070SM
Sizes (mm)	: L30000 x H6500 x W20300 mm
